RE: \$250 Land Board Community Grant
2018 Wyoming Reads

Dear Mr. Esposito:

Thank you to Campbell County Public Land Board and former Interim General Manager, ReNae Keuck for awarding a \$250 Land Board Grant for 2018 Wyoming Reads. Our 13th annual celebration was held May 15th with 690 first graders attending. Students, teachers and volunteers all enjoyed the fun day with books. This event would not be possible without the use of the CAM-PLEX facility and the help of your dedicated staff. Everything is always in perfect order when we arrive.

Thanks for supporting this celebration of literacy in Campbell County.

Sincerely,

Janet S. Tharp
