Dear Mr. John Daly; Chair C.C. Rockpile Board,

The Campbell County League of Women Voters would like to thank the Rockpile Museum for accommodating the viewing of the new PBS WY documentary "**State of Equality**" for our community on December 10.

Working together on this project was a success for both of our organizations and the community.

It was a pleasure working with Robert Henning and staff. I would entertain working on other projects together.

Sincerely,

*Susan Knesel*
