

## Youth Education Board Report 5-13-2021

### Pioneer school update

This month we have managed to serve 398 children through this year's pioneer school supplies and events. Mrs. Kathy Kintz taught pioneer school in person to students at John Paul II Catholic School. Mrs. Kintz taught virtual pioneer school to third graders at Paintbrush elementary school. Penny gathered and delivered supplies to third grade teachers at Buffalo Ridge, Sunflower, Rawhide, and one fourth grade class at Paintbrush so they could teach students in their own classrooms. Finally, we delivered supplies to Stocktrail Elementary for their pioneer day event held on the 12<sup>th</sup> for 3<sup>rd</sup> through 6<sup>th</sup> grade students.

### Research requests

Diann Avery has sent several requests seeking help identifying photos from Rozet.

Met with Mark Christensen on Monday, April 26, 2021 and discussed the research I had done over the past year on the history of Agriculture fairs in Campbell County since 1918. Along with the copies of the research I gave him a list of items the collections department had created with artifacts in the collection that could be connected with the county fair through the years.
