

Director's Report

September 2021

Early Intervention:

- Staff will begin work on the Biennial grant application, due October 29th.
- The Part C program completed a successful program review from the State EIEP. There were no findings of non-compliance.
- We have been notified we will be eligible to receive \$887.31 per child (63) from ARP funds. This totals \$55,900.53.
- The State EIEP is submitting the Corrective Action Plan (CAP) to the Wyoming Department of Education. We hope to have the approved plan to share with the Board very soon.

Early Childhood:

- Tausha and staff continue to prepare for the NAEYC review.
- Tausha is working on a proposal to purchase Creative Curriculum Cloud (a web based curriculum resource). This resource would be beneficial to all classroom staff.

Early Head Start:

- The program staff are continuing their work for the annual program self-assessment.

Financial:

- Food prices and availability are causing concerns for the budget and menu selections.

Personnel:

- Substitute line-item budget will be challenged this year.
- Vacant Early Childhood Instructor – Otters.

Other:

- The CDS-CC Foundation Board will meet on September 28, 2021. They will be visiting with a representative from Wyoming Community Coalition to discuss the possibility of creating an endowment.

Facility:

- Public Works staff is helping with several projects on the playground (water table, sand area, and the leak on the hill).
