

# North Landfill Signage

Pit 1 is for construction/demolition material such as sheetrock, wood, concrete, shingles and bricks. Please do not place any paper, cardboard or insulation in this pit.

Pit 2 is for municipal solid waste (MSW). Place household garbage, cardboard, paper and treated wood in this pit.

Pit 3 is for scrap metal, including washers and dryers, hot water heaters, refrigerators and sheet metal. Please do not throw other debris in with the scrap metal.

Pit 4 is for clean, unpainted, untreated wood such as pallets and raw lumber. Please do not throw trash or painted wood in the clean wood pile.

Pit 5 is for tires. Rims are okay but please do not throw other debris in the tire pile.
