4/8/2018	Curtis	(inlegibile)	Gillette	WY	82718							X	Do Not Take our vote away
No Date	Karrie	Allen	Gillette	WY	82718							X	I believe the 1% tax should be a permanent change in our community. It benefits everyone living in Gillette. I would gladly welcome the 1% tax as a permanent tax.
3/20/2018	Dave	Allison	Gillette	WY	82716				X	X		X	To keep 1% tax always on the voting ballot. THE RIGHT TO VOTE ON 1% OPTIONAL TAX, AND HOW IT KEEP ACCOUNTABILITY IN OUR GOVERNMENT - keep the vote
2/28/2018 13:14	Teri	Anderson	Gillette	WY	82716	X							I support the 1% tax. The City and County have put the collected revenues to good use in what, to my mind, has been a very transparent manner. I believe the community of Campbell County can to continue to be an excellent place to live only through continued support of the 1% sales tax.
2/27/2018	Ryan	Anderson	Gillette	WY	82716							X	I strongly favor the 1% tax. It is vital to social services. The projects make Gillette & Campbell county a better community
2/27/2018	Matt	Avery	Rozet	WY	82727							X	I am for the 1% always have been!!!
2/27/2018	Mary	Barks	Gillette	WY	82718		X						I support the 1% tax
3/8/2018	Deanna	Barnette	Gillette	WY	82716							X	I feel the 1% Sales Tax is very beneficial but I do not want it a permanent tax. I want "checks and balances". I want to be able to vote on it every 4 years.
3/8/2018	Roy	Bechard	Gillette	WY								X	VOTE IT DOWN
3/8/2018	Donna	Bennett	Gillette	WY	82718							X	I like that when out of town our country businesses come to Gillette the one percent is paid if they buy and support local businesses and they help pay for the infrastructure and services. I support this for infrastructure & Social service agencies. The one percent has allowed our community to look like a place that business would want to come and settle that people would want to move here. This tax should be permanent.
3/8/2018	Sam	Bennett	Gillette	WY	82717							X	All for the tax - thank you- The Senior Center would be what it is today. If not for the 1% tax. - I helped to design as a Board Member - When we were getting to rebuild this center. Thank you.
2/27/2018	Barry	Bowersox	Gillette	WY	82718		X		X			X	This tax still needs to be voted on by the public. It does a vast amount of good, however there is a mistrust of the present council commission and its use. When I am informed that the sports complexes were built through [illegible] and not our taxes I lose faith in our present elected officials as the county contributed \$750,000 for the roping arena and twelve million nine hundred fifty thousand toward the activity center. I believe the only way that we as tax payers can keep the use of the 1% tax accountable to our needs is to have it voted on every 4 years. If we lose that accountability we can expect that money to be distributed in manners that may not be how we want. You no longer have accountability to the tax payers if this becomes permanent.
3/20/2018	Steve	Bricker	Gillette	WY	82717				X				
4/8/2018	Linda	Bricker	Gillette	WY	82716					X			Against government welfare. Nation is a cesspool
3/8/2018	Brandi	Brockmoller	Gillette	WY	82716			X				X	In favor. Please keep it going.
2/27/2018	Jeff	Bumgarner	Pinehaven	WY	82721							X	support
3/1/2018 18:01	Marlys	Bunsu	Gillette	Wyoming	82716	X							The 1% tax has done and continues to do so much for this community. I fully support it, if it's not made permanent I will continue to vote to keep it in place. It does sound as if some citizens want to micromanage how it is spent, but I believe our elected officials are doing their best to disperse it fairly and make an effort through their survey as to how the majority of citizens think it should be utilized.
3/20/2018	Michelle	Butler	Gillette	WY	82718				X			X	Please make permanent!
2/27/2018	Linda	Calhoun	Gillette	WY	82716							X	For!!
2/27/2018	Scott	Cargill	Gillette	WY	82718	X						X	Please make it permanent. I don't think the town, the city or the county can operate without it. I am very much in favor of the Optional 1% Tax. I am also in favor of the tax being made permanent. This tax has been successful approved by the voters for 40 years. Campbell County has other pressing funding issues that need our attention. I believe it is time to make it permanent so we can move to other pressing funding issues.
3/8/2018	Ray	Cassell	Gillette	WY	82716							X	VOTE IT DOWN
3/8/2018 10:35	Rhonda	Chapman	Gillette	WY	82718	X							This needs to stay..it is useful in so many ways - I believe it should be just made permanent...quit having to vote all the time on something so beneficial to our community!
2/27/2018	Keith	Chrans	Gillette	WY	82718							X	MAKE TAX PERMANENT!! Gillette Golf Club thanks council for past 1% use to support golf in the city. Please consider adding Golf Club back for funding
3/8/2018	Mark	Christensen						X					
2/27/2018	Phil	Christopherson	Gillette	WY	82718		X				X		Please pass a resolution to make the tax permanent. I support the 1% tax and [illegible]
2/27/2018	Lori	Christopherson	Gillette	WY	82718							X	It would be nice if the tax was made permanent
3/8/2018	Kris	Clyde	Gillette	WY				X					In Favor, love the parks, pathways
3/20/2018	Pat	Collins	Gillette	WY	82718							X	the choice should be left to the voters/tax payers each & every time and also to where the \$\$ should go not open check book
3/8/2018	Kevin	Couch	Gillette	WY	82718			X					The 1% Tax is an important revenue source for our community. I'm supportive of this tax and would also be supportive of it becoming permanent.

3/20/2018	Heidi	Gross	Gillette	WY	82718					X										X	and I also support making it permanent. This tax provides monies for many projects including streets and sidewalk improvements, social agencies, and Gillette College. It also helps keeps our utility bills lower. If this tax is not approved, folks on fixed or low incomes will be severely impacted. Gillette College would also have to cut faculty positions as the monies we receive from the one percent directly support faculty positions. I believe that the county and the city have been good fiscal stewards of the revenues earned from this tax and I believe they will be going forward. I fully support making the one percent tax permanent.		
3/21/2018 9:28	Tanner	Hartmann	Gillette	WY	82718	X															I will be 18 in a month and I am excited to vote for the first time this year. I am writing to tell you that I am in favor of making the 1% tax permanent, because my mom works for GARF and they stress about funding a lot. Thank you.		
3/8/2018	Mike	Hauck	Gillette	WY	82718						X										Why does every new road have to have sidewalks on both sides & cleaned of snow (west roads, Gardner Lake Rd. NCW bridge across Donkey Creek, all city exterior rds.)? Why do you anticipate a passage of a vote and budget its passage? (water etc.) Why do you want to make this a permanent tax? I'm afraid that in time that this tax can easier be abused because of no justification being needed. If the need is there, there should be no problem in getting approval. If the tax vote is positive, can you consider a financial help to the Gillette Country Golf Club, a non-tax supported entity which serves a large number of citizens.		
3/20/2018 19:24	Vickie	Haynes	Gillette	WY	82716																I support the 1 percent tax in Campbell County for many reasons. For one, all the non-profit groups it helps fund. In particular my favorite Second Chance. Without this vital ministry many that come out of incarceration would have no where to go and often reoffend within a matter of months. Helping these individuals become contributing members of society helps our community in many ways. I would like to see this remain something that we continue to vote for though.		
3/8/2018	Marge	Heald	Gillette	WY	82718																X	I vote for one more year of the one percent.	
3/8/2018	Donna	Hubbard	Gillette	WY	82716																X	If it's not broke, don't fix it. Keep the tax!	
2/27/2018	Dalton	Huber	Gillette	WY	82718																X	I support the 1% tax. Would love to have it permanent.	
2/27/2018	Marty	Huckins	Gillette	WY	82716																X	I am with Personal Frontiers Inc. The 1% tax helps us combat arguably the biggest problem in our community, and for every adult we help recover their lives, it benefits the whole family; marriages heal, bills are paid, taxes are caught up and kids heal!	
3/20/2018 12:02	Craig	Jennings	Gillette	WY	82718																X	I am unable to attend today's one percent hearing, but I wish to register my full support of the tax, preferably in a way that doesn't need year to confirmation. Our community now enjoys a long list of improvements to streets and roads, water and sewer projects and many more broad investments that make our lives better. Thanks for the opportunity to comment.	
2/27/2018	Marilyn	Jones	Gillette	WY	82717																X	I understand the one percent tax. Have always voted for it. What I want to keep is the right to vote every four years & not made law. I will not end we just want a part in the say. Please do not take away our vote.	
3/8/2018	Linda	Kercher	Gillette	WY	82716																X	Does the 1% help pay for concrete alley ways? Concrete alleys is redundant to me. It just spending money on useless things. Parks don't need concrete parking. Just spending money on useless things.	
3/8/2018	Kenneth	Kercher	Gillette	WY	82716																X	We should be notified before a project is started that it is paid for by 1%. Maybe a lot of people don't approve of it. We want to stop this foolish spending on projects we don't approve of!	
3/8/2018	Clayton	Kiewel	Gillette	WY																	X	Very interesting, 1% okay. In large city (i.e., Colo, Calif, etc, etc) I'd say no because they have personal income (state) tax.	
2/27/2018	Cheryl	King	Gillette	WY	82716																X	I am for the 1%	
3/8/2018	Vicki	Kissack	Gillette	WY	82718																X	I support the 1%, I do not support making it permanent. I would like the information sessions to be more positive. On your handouts you had three bullets that were negative, doing this promotes fear. Fear mongering is undermining the intelligence of the people in this community. I am not for taking the vote away from the citizens. I want to keep my vote on the 1% sales tax - uphold the constitution	
2/27/2018	Kim	Klein	Gillette	WY	82718																X	Yes!	
2/27/2018	Elizabeth	Kuntz	Gillette	WY	82716																X	For 1% Tax	
4/8/2018	Chris	Land	Gillette	WY	82716																X	Government should NEVER take away the right of the public to vote	
3/8/2018	Bernese	Larson	Gillette	WY	82718																X	I am all for the 1% sales tax renewable. However I feel if you make it permanent it will most certainly get voted down. People want to have the choice every 4 years.	
3/8/2018	Frank	Latta	Gillette	WY	82718							X											
2/27/2018	Cheryl	Lenox	Gillette	WY	82716																X	I have heard to nullify the one % tax will cause utilities to double. Why & How? I want a say in this process by my vote. I am for 1% if there is accountability & public are given inform. for where money is committed.	
2/27/2018	Nelson	Litaba	Wright	WY	82732																X		
2/27/2018	Gail	Lofing	Gillette	WY	82718																	X	Make the tax permanent by resolution
3/8/2018	James	Lundquist	Gillette	WY	82716																X	I am 100% in favor of the 1% tax. I am 100% in favor of making it permanent. I will be 63 in May. I will retire in Gillette because we as a community are willing to use this money to keep Gillette a great place to live.	
3/8/2018	Pamela	Lynch	Gillette	WY	82716																X	I think the 1% does a lot of good. Keeping it permanent would be a good idea.	
4/8/2018	Janet	Mader	Gillette	WY	82716																	X	Have a sorry state of affairs. Need to elect better managers
4/8/2018	Justin	Mader	Gillette	WY	82716																	X	Vote all taxes optional

3/8/2018	Elsa	Poole	Gillette	WY	82716							X	Thank you for informing us and the opportunity to be educated on the 1% tax. I would like to see a complete list of income from the tax since its last inception & a complete list of where the funds were paid out.
3/20/2018	Julie	Price-Carol	Gillette	WY	82716							X	Permanent 1% tax=progressive community
2/27/2018	Deb	Proctor	Gillette	WY	82716		X	X				X	Very much favor the 1% sales tax issue. Would be fine if was permanent. Helps social agencies I use & believe in. Appreciate my dollars it helps with roads, water, capital items that make Gillette a great place to live. 120% in favor of the 1% sales tax. The power of the penny has improved Gillette immensely. Can the permanent issue be voted on by the people?
2/27/2018	Cathy	Raney	Gillette	WY	82718		X	X	X	X			See GPA recorded sessions for specific comments.
3/8/2018	Margo	Rhoades	Gillette	WY	82716			X					Support 1%
3/8/2018	Gretchen	Rich	Gillette	WY	82716							X	Thanks for informing us about the 1% tax. You do a fine job of working with the funds available. What new projects would be funded with the additional/continued sales tax?
2/27/2018	Jordan	Roberts	Gillette	WY	82721							X	I am not a resident of Campbell County, but I can still see the value of the tax. I use the roads and water/sewer system on a daily basis. My only question is, Why use 1% tax to subsidize power? Maybe I read that wrong in the powerpoint. It seems like all utilities should be paid out of the enterprise account, and not subsidized by tax funding.
3/8/2018	Jean	Roesler	Gillette	WY	82717							X	I like and have supported the 1% tax since its inception. I believe it should stay optional. Changing it to a permanent tax will take away the feeling of ownership that people have regarding it. I think many people are unhappy because of a sense of "lack of transparency". It was supposed to be for streets and infrastructure. Some items in recent years seem to stray from that area.
4/8/2018	John	Stang	Gillette	WY	82718							X	KEEP THE PUBLIC VOTE
3/8/2018	Casey	Sams	Gillette	WY	82718			X					We need this to be permanent! 1% is the reason our community is what it is.
4/16/2018	Debbie	Schasteen	Wright	WY								X	want everyone out to vote
2/27/2018	Brenda	Schladweiler	Gillette	WY	82717		X		X	X	X	X	I am in favor or the renewal for the 1% sales tax by vote of the citizens of Campbell County but am also in favor of making it permanent if the elected officials of Gillette, Campbell Co and Wright choose to do that. I am in favor of the 1% sales tax and hope you will consider making it permanent. I am for the 1% tax and for making it permanent
3/8/2018	Caroline	Schumacher	Gillette	WY	82716							X	I am for othe 1 cent sales tax. Our City has much improved since I came in 1968.
2/27/2018	Jessica	Seders	Gillette	WY	82718		X						In favor of 1% for continued support of social service programs such as the Y.E.S. House.
2/27/2018	Todd	Seders	Gillette	WY	82718							X	In favor of 1%
2/27/2018	Judith	Semple	Gillette	WY	82718							X	I support the 1% sales tax and support making it permanent. I think that for reasonable budgeting and expense/investment planning the tax needs to be permanent
