Dear Gillette Businesses,

Secret Santa, a program through Campbell County Parks & Recreation, is dedicated to make sure all underprivileged youth in Campbell County celebrate Christmas. As in the past the success of this program has largely been due to the generous donations of local businesses and individuals. The Recreation Center has been offering this program for low income families for the past 30 years. It is a very successful program and is growing at a very high rate. Last year, through donations and community member's sponsorships, we were able to give 458 kids a Christmas that might not have been possible otherwise.

The Secret Santa Program is a coordinated effort between the Council of Community Services and Campbell County Parks and Recreation. All families receiving a Secret Santa letter have qualified through the Council of Community Services with proof of income level meeting 130% poverty, proof of citizenship and proof of Campbell County residency.

Donations from businesses and individuals are received at the Recreation Center and go towards sponsoring letters that have not been "adopted." Recreation Center staff uses all donated money to shop and fulfill all the unsponsored letters. The Recreation staff shopped for 154 of the 458 letters received last Christmas.

I would like to offer you the opportunity to become a sponsor of this very successful program. I know you will find the Secret Santa program a terrific way for your business to get in the giving spirit this holiday season.

For further information please give me a call and I will be able to answer any questions that you or your company may have.

Sincerely,

Adam Gibson
