Don’t miss CCPL’s Tails and Tales event for all ages to kick-off our summer reading program! All summer long we invite you to learn about Wyoming “tails,” as in, the wild and domestic animals we love so much, and also, Wyoming “tales,” the stories and history of our area.

**Tales for Adults:** 10am-4pm

CCPL welcomes Wyoming author Dennis Davis to headline our third Regional Author Fair. Davis worked as a newspaper reporter in Wyoming beginning in 1978 for the Gillette News-Record, the Casper Star-Tribune and the Powell Tribune. As a freelancer, his photographs have appeared in the New York Times, Washington Post and London Economist. He taught journalism classes at Northwest College in Powell for 15 years until retiring in 2013. He started a film, radio and television program that included a cable TV station and a non-commercial FM radio station. During his 10 years as adviser to the student newspaper, students and the publication won regional and national awards.

Davis worked four and a half years on his self-published book Wyoming — Perspectives on a ‘small town with long streets’ which was published in 2019. The book is “a look at Wyoming people and places during a time of transition in the energy industry. Davis includes interviews with notable Wyoming political figures and examines declines in the coal industry through the eyes of Gillette city officials, Gillette coal miners and University of Wyoming energy economist Rob Godby. Davis also considers how well Wyoming lives up to its motto as the Equality State from a range of viewpoints and takes readers to the four corners of rectangular Wyoming as well as community celebrations.” —Amazon.

A number of the breathtaking photographs by Davis featured in his book will be on display at CCPL starting in late May.

- **10am-12pm:** Writers Workshop lead by Dennis Davis • Learn about the pros and cons of self-publishing via-a-vis finding a publisher, how technology has widened the range of self-publishing options, how much you might do yourself as an author vs. having a designer and/or editor, printing costs and financing considerations, taking care of copyright, ISBN and related matters, marketing, photography preparations for printing.
- **12:15pm:** Lunch Break (on your own)
- **1:20pm:** Author Talk: Dennis Davis • Davis will read from his book and discuss how the project came about.
- **2:40pm:** Author Fair featuring regional authors • Don’t miss your chance to meet up-and-coming authors.

**Tails and Tales for Families:** 11am-2pm

CCPL Youth Services staff is teaming up with community agencies for a parking lot party for families. Fun, educational booths, on-site concessions, and Nickelodeon’s Paw Patrol will make appearances throughout the event!

**Check Out Our STEAM and Craft Kits**
by Lori Kirchoff, CCPLS Technical Services Librarian

Your library in Gillette recently added new collections in their Children’s Department and Young Adult (YA) Department for circulation: two YA perler bead kits, three YA glue gun kits, and 23 Children’s STEAM Kits purchased with Campbell County Community Recreation District (CCCRD) grant money.

The YA kits allow teens to explore crafting activities at home and help complete Teen Take and Make activities that are distributed to teens who visit the CCPL Teen Room. Perler bead kits contain a travel iron, silicone pad, a jar of beads, and various tiles for creating patterns. The glue gun kits contain a glue gun and various glue sticks. Kits check out for 14 days and patrons can find them in the Teen Room. Search “Craft Kit” in our catalog to place a hold.

The STEAM kits allow for at-home exploration of a variety of science, technology, engineering, art, and math activities. A binder at the Children’s desk contains a complete description of each kit. Patrons may browse the binder and request a kit that can then be checked out at the library’s Circulation Desk. These kits check out for 14 days to adult patrons only and require a signed user agreement. Search “STEAM Kit” in our catalog for kit descriptions and to place holds.

STEAM kits include:
- All About Dinosaurs
- Arts & Crafts Creative
- Electronics, Coding & Bots
- Estimation & Patterns
- Machines and Contraptions
- Money, Math & Economics
- My Amazing Body
- Ready, Set, Kindergarten
- Robotics and Coding
- Truck and Tools
- Understanding Our Universe
- Yoga for Mindfulness
- Circuits and Technology
- Emotions & Empathy
- I Love Animals
- Sounds, Music & Band
- Pete the Cat Preschool
- Starting to Spell
- Shape of Things
- Phonics
- Food & Nutrition
- Letters & Numbers

For questions or more information, please contact the Teen Room at 687.9227 or the Children’s Department at 687.9225.

**Book Discussion**
*The Sum of Us: What Racism Costs Everyone and How We Can Prosper Together* by Heather McGhee

- **CCPL:** Tuesday, May 18, 6pm
- **Zoom:** Wednesday, May 19, 6pm

CCPL is pleased to partner with the Campbell County League of Women Voters for this month’s book discussion. Pick up a book at CCPL and then join a discussion of this thought-provoking book at the library or via Zoom. Call 687.0115 to sign up for the Zoom discussion.

“Supported by remarkable data-driven research and thoughtful interviews with those directly affected by these issues, McGhee paints a powerful picture of the societal shortfalls all around us. There is a greater, more just America available to us, and McGhee brings its potential to light.” —BookPage

**NOTE:** Library hours, events, and attendance numbers are subject to change due to COVID-19. Check our website for the most up-to-date information. Masks and social distancing are mandatory at all events at Campbell County Libraries.
